

FFRS / CAD Integration

- ✓ 99% of Computer Aided Dispatch (CAD) Systems do not need to be modified
- ✓ CAD will need the unique '@enotifyffrs.com' email address(es) for each group or agency they are dispatching to
- ✓ EXAMPLE: 321abc987xyz@2enotifyffrs.com

- ✓ FFRS will need the email address that the CAD system is sending FROM to be added to the FFRS email safelist for that agency
- ✓ EXAMPLE: Safelist email: cad@myffrs.com
